TASTING ROOM

Below Salt Tasting Room, The Salt Cellar is a unique space that on Friday and Saturday nights doubles the capacity of Salt. The rest of the week, we use it for private functions from birthdays to fashion shows and an ongoing series of Winemaker's Dinners. Whether you're looking for more of a traditional styled dinner, a stand-up cocktail-style function, or anything else you have in mind, drop us a line at info@salttastingroom.com and we'll run through the various options for you.

FOURPLAY

VALENTINE'S DAY IS JUST AROUND THE CORNER! WHAT TO DO, WHAT TO DO?

Here's one brilliant idea:

Join In the House and the Salt Tasting Room for a 4-part dinner/theatre experience where we attempt to find out what love is, and why it is so darned illogical. Love and longing, food and festivities, tastebuds and theatre, laughter and loopiness all come together in an interactive evening you'll never forget.

What are you in store for when you go to Fourplay? Here are some more details about each of the 4 episodes:

MONDAY, FEBRUARY 13

EPISODE 1 - CHEMISTRY

The seeds of love often come from the strangest places. Come partake in a grand experiment to try to discover the secrets and foibles of romantic behaviour. **Special guests:** musician + lyrical raconteur, Melissa Bandura + Actor, Deneh Thompson

Did you know:

Many fruits, vegetables and herbs are traditionally used in the creation of love potions or as aphrodisiacs. Dishes on this first night incorporate many of these ingredients!

MONDAY, FEBRUARY 20

EPISODE 2 - MAGIC

Engagement - the golden apple of so many relationships. It's not often we get to witness such a special sight, but now's your chance - and you get to watch an amazing magic show at the same time! **Special guest:** Magician + purveyor of all things wondrous, Travis Bernhardt

Did you know:

Dishes on day two are all about the many sayings that use food to express one's admiration for a loved one. Also beware! Puns and wordplay may crash this party!

MONDAY, FEBRUARY 27

EPISODE 3 - SPICE

What happens when the stag party and the wedding shower get booked at the same restaurant on the same date? Fireworks guaranteed! **Special guest:** TBA
- hint: it involves burlesque
Monday, March 5
Episode 4 - Union

It's a wedding! Come and join us for a celebration you'll never forget.
Special guests: Orkestar Slivovica

Follow the story the whole way or join us for just one episode.
